

## HaloFogger® with Extended Nozzle

*Flexible nozzle positioning capability to treat a range of spaces*

*The multi-purpose HaloFogger EXT delivers a consistent volume of aerosolized Halo™ Disinfectant wherever the nozzle is placed. This device is ideal for treating small spaces such as lab hoods, isolators, ambulances and vehicles, as well as larger rooms up to 5,200 ft<sup>3</sup>/150m<sup>3</sup>.*

Extra long hose allows for a wide range of mounting heights and reach for optimum nozzle placement.

Precision 30-minute timer allows operator to accurately set treatment time for small spaces.

After mounting the nozzle assembly to any smooth, hard surface, use the adjustable arm to direct the nozzle.
